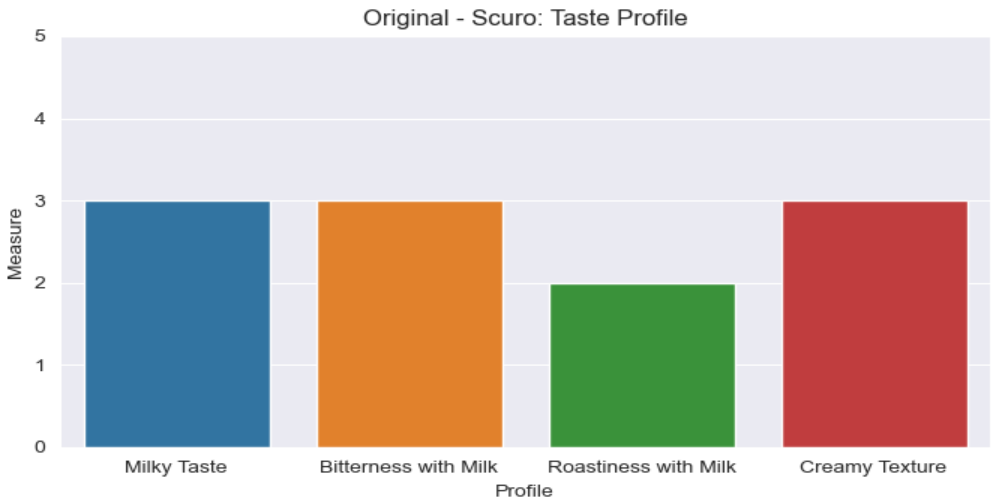
Taste Information

An intense coffee that remains beautifully in balance with milk. It’s just roasty enough to push through milk, and its delicate sweetness tempers its intensity to make it a compelling Cappuccino.



The Story

Taking our inspiration from Melbourne baristas - the masters of robust, but perfectly balanced tastes.

We orchestrated this ideal marriage by using a meticulous combination of top-grade Colombian and Ethiopian Arabicas.

Scuro has a contrasting roasting profile, with part of the coffee getting a long and dark roast and the other part roasted much faster and lighter.
