Taste Information

This Vertuo coffee capsule is an Arabica blend of two renowned washed coffees - both loved for their lively acidity and their distinct fruity notes. We split roast and blended high-grown Colombian coffee and Kenyan coffee to create a light roast coffee with a light body and a lovable character. A juicy acidity shines through Solelio's toasted cereal note. It's hard to miss the classic fruitiness of the Colombian and Kenyan coffees. You can really ease into morning with this Vertuo coffee.
