Taste Information

BARISTA CREATIONS Chiaro has hardly a hint of roastiness, and almost no bitterness or acidity you can perceive. It's all creamy caramel and sweet biscuit notes when you add milk. The baristas in Brooklyn inspired us in the way their light roast values the natural sweetness of coffee and lends a decadent smoothness to the cup when you add milk.

The Story

Inspired by the baristas of Brooklyn, who value the natural sweetness of coffee and apply a light roast to protect it.
