The Story

Capriccio is the rich, unique espresso that is ready to astonish with its complex and balanced bouquet. Its distinct cereal notes are characteristic of the Brazilian Arabica and touch of Robusta we use. But then Capriccio surprises you with a fine acidity that gleams through, coming from the high-grown South American Arabicas and the light roast.

One of our first four coffees launched in 1986, Capriccio is carefully created by combining fine light-roasted Arabicas from Brazil and Colombia with a touch top-quality Robusta.

Capriccio gets a light roast to preserve the fine acidity that shimmers through the rich cereal notes. Light roasting also develops that rich profile unique to Capriccio.
