### The Story

Why we love it: Barista Creations Flavoured Peppermint Pinwheel is here to enchant you with its peppermint candy sweetness. The elegant peppermint flavour runs like a ribbon through our smooth blend of Latin American and African Arabicas like the red and white of a candy cane. Enjoy it as a Reverso—a dash of cold milk makes that peppermint flavour sparkle all the more."

The flavour of peppermint come to life in this creamy blend of Latin American and African coffees with the characteristic sweetness of peppermint candies.

Latin American benas are roasted medium dark and quickly to develop sweetness. The other coffees are roasted a bit longer to develop a velvety texture. We add the flavour in after roasting.
