Taste Information

A delicate pairing of fruity flavors and toasted cereal notes. Cusi is low in bitterness, roastiness and body - it's all about the classic aromatics and harmonious balance. ■Cusi with milk takes on an indulgent silky texture and sweet biscuit notes.

The Story

One of Nespresso's OG, Cusi's light roasted classic coffees keeps their distinguished aromatics alive. It meets your palate with a smile.

A rich combination of Arabicas from Costa Rica, Kenya and other South American countries. The Kenyan Arabicas provide the zesty acidity present in Cusi.

Our coffee roasters give a light roast to these Latin American and East African coffees, ensuring that all that heart and soul shines through in the cup.
