Taste Information

An exceptionally smooth double espresso that gets its sweetness and malty toasted cereal notes from a fine blend of Arabica and Robusta. Pairs perfectly with milk.

The Story

The masterful blending and split roasting of different Arabica and Robusta beans is the secret behind this mild and smooth double espresso. Latin American Arabicas deliver that delicious malty toasted cereal note that sings above this beautifully balanced cup.

Double Espresso Dolce is created by combining Latin American Arabicas and Ugandan Robustas.

A batch of Arabicas are roasted light and short, while another combination of Arabica and Robusta get a slightly longer and darker roast.
