Taste Information

Soft and smooth, creamy texture, sweet, notes of caramel, nuts and biscuit. Especially crafted for your recipes with milk.

The Story

Intense yet smooth in taste, this espresso is specially designed for making cappuccinos, latte macchiatos or flat whites. An expertly crafted blend of Arabicas from China, Colombia, Brazil & Ethiopia creates this world of rich roasted notes to land in harmony with the creamy sweetness of milk.

For this 100% Arabica blend, we sourced beans from a diversity of origins stretching from China to Colombia, and Brazil to Ethiopia.

Roasted in two splits : 1. Medium-dark for the majority of the coffee. 2. Light to very light to balance out the overall roast, aiming for the best combination to work well with milk.
