### Taste Information

We split roast this medium roast coffee. The Ethiopian Arabicas get a lighter, shorter roast to keep those floral notes alive. A longer, darker roast of the Kenyan coffee adds body to this Vertuo coffee capsule. The brewing is also designed to bring out great crema while keeping the floral aromatics intact. A juicy coffee with that combines subtle floral and cereal notes.

# The Story

Inizio is the helping hand easing you into your every day. The velvety, smooth body of this Kenyan and Ethiopian Arabica blend comes with a warmth and strength from its rich toasted cereal note. Its wild florals give you that laid-back Sunday feeling.
