The Story

We have made name changes to our Barista Creations flavoured range for Original to better reflect the various changes made, from the recipe to the flavouring extracts and recommended cup size. Barista Creations Flavoured Cioccolato brings together the exquisite flavour of dark chocolate with the signature taste of roasted coffee. When our smooth Latin American Arabica blend meets the timeless rich chocolate flavour, deep layers of flavour emerge, ready for you to create a coffee moment you'll keep coming back to. Up the decadence and make yours a cappuccino—an elegant nutty note unfolds as a finishing touch to that chocolate flavour.
