The Story

Live up to the authentic Parisian café experience — where people enjoy philosophizing over a coffee. World Explorations Paris Espresso transports you to these terraces with a balanced blend of Arabicas emboldened by Vietnamese Robusta. A delicately bitter cup with cereal and citrus notes.

A blend of Arabicas from Brazil and Colombia combined with a touch of top-grade Robusta beans from Vietnam, which adds a pleasant bitter note to this coffee.

A classic split roast, with average roasting intensity and time. Arabicas and Robustas are separated in batches. The Robusta part is lightly roasted to allow the delicate Arabica notes to stand out.
