Taste Information

We split roast this medium roast coffee. The Ethiopian Arabicas get a lighter, shorter roast to keep those floral notes alive. A longer, darker roast of the Kenyan coffee adds body to this Vertuo coffee capsule. The brewing is also designed to bring out great crema while keeping the floral aromatics intact. A juicy coffee with that combines subtle floral and cereal notes.

The Story

Inizio is the helping hand easing you into your every day. The velvety, smooth body of this Kenyan and Ethiopian Arabica blend comes with a warmth and strength from its rich toasted cereal note. Its wild florals give you that laid-back Sunday feeling.
