Taste Information

The spicy taste of this Gingerbread-flavored coffee is a warm complement to the coffee's rounded cereal notes, featuring hints of cloves, cinnamon, and cardamom.

The Story

Why we love it: The gingerbread flavour runs through our smooth base blend of Latin American and African Arabicas, the spicy taste of ginger hugging the coffees' rounded cereal note. Enjoy it as a Reverso—a dash of cold milk brings out that ginger flavour all the more.

This blend combines Latin American and African Arabicas for a balanced and rounded taste. Brazilian coffee adds richness, Ethiopian coffee brings delicate aromatics, and a touch of spicy ginger adds warmth to the flavour profile.

Latin American beans are roasted medium dark and quickly to develop sweetness. The other coffees are roasted a bit longer to develop a velvety texture. We add the flavour in after roasting.
