Taste Information

Vienna’s coffeehouse tradition shaped the coffee culture of this vibrant city, known for its many recipes and the smoothness of its coffee. World Explorations Vienna Lungo recreates this balanced and pleasant Viennese taste by pairing sweet Brazilian and Colombian Arabicas, lightly roasted by our experts to enhance the malty and aromatic notes in the cup. Enjoy it like a local: Top up your Lungo with hot water for a 150ml cup and pair it with a slice of cake.

The Story

From coffeehouse to home coffee gathering, this balanced blend of smooth and silky South American Arabicas pairs perfectly with your viennoiserie.
