Taste Information

Arpeggio Decaffeinato is as dense and creamy as the no decaffeinated version. Decaffeination doesn't diminish the bold roasty and cocoa notes. The crema gives it a creamy, velvety texture that is irresistible. Perfectly pairs with milk.

The Story

This exquisite blend is a true reflection of Florence's cultural significance: an intellectual hub in the heart of Italy, drawing influences from across the country. It's roasting style brings these influences together by combining fruity notes from the North of Italy with cocoa notes from the South, culminating in a velvety, dense and creamy cup.

This 100% Arabica blend is created using beans from Brazil, Guatemala and other fine origins.

An intense roast of the coffee beans develops the distinct characteristics of Arpeggio's coffees. The malty aroma turns into the cocoa notes that give this espresso its gravitas.
