Taste Information

Ristretto is a deliciously complex coffee, that displays roasty and intense notes in combination with fruity notes and a hint of acidity. Milk won't hide Ristretto contrasted bouquet. You will love how it rounds out the blend and gives it a creamy texture.

The Story

You can't help but fall for Ristretto, a canadian best-seller. This medium dark roast embodies Italy's iconic coffee culture in just a short, quick sip.

This complex blend is created using Arabicas from Brazil and Colombia, in combination with Robustas from other sources including East Africa.

The Robustas in Ristretto go through a long roast to develop a pleasantly bitter cocoa note. The Arabicas go through a quicker roast to keep the bright acidity and fruity notes alive.
