### The Story

We have made name changes to our Barista Creations flavoured range for Vertuo to better reflect the various changes made, from the recipe to the flavouring extracts and recommended cup size. Bringing you the rich caramelized flavour of roasted hazelnuts in a coffee called for perfectly roasting some of our smoothest Arabica beans from Latin America and Africa. When this sweet, velvety blend with its delicate biscuit note meets the bittersweet complexity of the hazelnut flavour in Barista Creations Flavoured Roasted Hazelnut it's all smiles. It makes a milky treat with a rush of grilled hazelnut, praline, and caramel biscuit notes.

This 100% Arabica blend is sourced from Brazil and Ethiopia and another Latin American Country.

Latin American beans are roasted medium dark and quickly to develop sweetness. The other coffees are roasted a bit longer to develop a velvety texture.
