Taste Information

CARAFE POUR-OVER STYLE is the coffee that opens up possibilities for sharing with others or simply extending the pleasure of your Nespresso moment. But creating our longest cup was by no means our shortest journey. Delivering not just the right intensity in the 535 ml, but also optimum crema and a distinct flavour profile, is something that didn't happen overnight. After years of development, we were able to refine & perfect the product to our desire, welcoming our largest ever coffee into the family. Elevate your drinking experience with the CARAFE accessory set, specifically designed to reveal the coffee's unique aromatics and inspire a new Nespresso coffee ritual.

The Story

CARAFE POUR-OVER SYLE is a coffee like none other in the range. It's an easy-to-drink blend of Peruvian and Colombian washed Arabicas, which complement each other with their contrasting qualities to create a unique aromatic profile.
