The Story

Created in collaboration with chef Jean Imbert, Unforgettable Espresso is like a train journey through Latin America. An aromatic blend, including Peru and Costa Rica, emboldened by Robusta, toasted cereal and woody notes emerge at first sip. Savour this black or as a delectable Latte Macchiato and taste the luxury this blend brings. An invitation to awaken your senses on board the Nespresso Festive Odyssey, inspired by Belmond journeys.

This coffee is created with Latin American coffees, mainly from Peru and Costa Rica. We add intensity to blend by using a touch of high-grade Robusta.

This coffee uses the split roast technique to create intensity and complexity. The first split is composed exclusively of Arabicas and is lighter, while the second one is a mix of arabicas and robustas and is roasted darker to develop body and roastiness.
