The Story

Enjoy the bold, roasted taste of Freddo Intenso. South American Arabica meet Indonesian Arabica beans to offer an intense, exciting complement to the summer season. We dark roast this blend and grind the beans specifically for a delicious experience over ice. Best served as: 1 coffee capsule (40ml) over a handful of ice cubes (90g). To prolong the pleasure, top it up with cold water or cold milk (90ml).

This 100% Arabica blend gets its coffee mostly from Peru and Indonesia

Freddo Intenso gets a split roast. Both roasts are medium-dark to bring out the fruity notes and keep some of the coffees' sweetness intact.
