### Taste Information

Filter Style Intense's revised capsule design brings a velvety long cup with a fine crema and intense and compelling notes of sandalwood and smoke.

### The Story

A revised capsule design unlocks a filter style coffee – a bold, easy-to-drink, morning cup. Beneath a fine veil of crema, the warming cereal and strong roasted notes characterize Filter Style Intense. Velvety textured and with a compelling sandalwood finish, a hint of honeyed sweetness balances this long cup's bitter, light smoky, and earthy notes. The membrane and capsule are both fully recyclable.

Smelling the aromas of this fresh 100% Arabica coffee ground by peeling the capsule membrane and re-discover the delicate taste of the traditional filter coffee with your Nespresso coffee machine. To prepare, peel off the membrane and extract it long (150ml) first Lungo then Espresso buttons. With a dash of milk, this coffee gains in body and sweetness. The coffee-ness remains strong, retaining its smoky character.
