## Taste Information

This flavoured blend delights with the classic vanilla flavour combined with sweet biscuit, candied and cereal notes coming from its delicate arabica base.

## The Story

We have made name changes to our Barista Creations flavoured range for Vertuo to better reflect the various changes made, from the recipe to the flavouring extracts and recommended cup size. Tuck into Barista Creations Flavoured Sweet Vanilla - the dreamy taste of vanilla dances through delicious coffee. When we add vanilla flavour to our light-roasted Arabicas from Latin America and Africa, you'll discover much more in the cup. It takes on a swirl of flavours. Notes of caramel and vanilla cake are all the excuse you need to pause and enjoy a little me-time. Just for you or to share with loved ones. Insider tip: A dash of milk highlights the vanilla flavour all the more.
