The Story

A Nespresso classic, Arpeggio's coffees are short and dark roasted masterpiece such as this, can only come from the heart. Or in this instance, the cultural and artistic heart of Italy.

This 100% Arabica blend is created using beans from Brazil, Guatemala and other fine origins.

An intense roast of the coffee beans develops the distinct characteristics of each of Arpeggio's coffees. The malty aroma turns into the cocoa notes that give this espresso its gravitas■.
