### The Story

Ispirazione Napoli pays tribute to the short, strong and dark espressos of this southern Italian coastal city. It's a velvety, creamy cup with an extremely thick body and a kiss of pleasant bitterness in its aftertaste.

This intense blend is created mostly using Robustas from Uganda and India, combined with Arabicas for an intense coffee with a cocoa touch.

A dark and intense roast, done with carefully selected beans that can withstand the process and develop delicious bitter notes without completely burning away.
