Taste Information

An intense coffee with roasted, woody and spicy notes.

The Story

Alto Onice delivers a full palate of strong cereal and deep woody notes for a longer cup to savour at home or on-the-go. Through the bold aromatics of beautiful bitter cocoa, spice and roasted notes comes a golden caramel note and a faint shimmer of acidity to balance this deep-roasted blend of coffees from Colombia, India, and beyond.

A complex blend of several origins: through its Indian beans' cocoa and spice notes comes the Colombian arabica's shimmer of acidity in our longest cup size.

Arabicas and robustas are roasted together in the first split. The second split is composed exclusively from decaffeinated arabica, and is roasted for a slightly shorter time.
