Taste Information

A full-bodied, intense and dark-roasted coffee, rich in cereal notes. Especially crafted for your recipes, it remains powerful in combination with milk.

The Story

A long cup coffee, big in powerful roasted notes. Add a generous dash of milk and you'll find its sweetness sits in a dynamic balance with this carefully crafted blend of fine Colombian and Kenyan Arabicas. We give the beans a dark split roast to highlight the coffees' rich roasted and cereal notes.

This 100% Arabica blend combines coffees from Kenya, Colombia and Costa Rica.

One part of the blend gets a long and dark roast, while the second part is roasted a little faster and to a slightly lighter degree.
