| Contents & Allergens | 10 capsules of roast and ground coffee for the Nespresso system. |
| Ingredients | Roast and ground coffee. |
| Net Weight | 95 g - 3.35 oz for 10 capsules |

Taste Information

Ethiopia is a naturally flowery coffee that gains fruitiness and complexity from its signature drying method, revealing ripe blueberry notes and a hint of musk.

The Story

Ethiopia with dry processed Arabica involves sun-drying some of the coffee cherry. This continual hand-turning to ensure even drying calls for great care. And Ethiopian farmers have used this method for longer than anyone else.
