The Story

Why we love it: Enjoy the delicate fruity and cereal notes of Barista Creations Ice Leggero. The elegant flavours of the Ethiopian Arabica in this blend refresh you like the most gentle summer breeze when you pour it over ice. We roast it lightly and grind it specifically to deliver that cool, delicate taste to your palate. Best served as: 1 coffee capsule (80 ml) over a cup full of ice cubes (180 g). To prolong the pleasure, top it up with cold water or cold milk (180 ml).

This 100% Arabica blend gets its coffee mostly from Ethiopia and Indonesia.

The first part of this blend gets a light and short roast to enhance the floral notes typical of Ethiopian Arabica. The second gets a medium roast to bring balance and roundness to the cup.
