### The Story

The South American Arabicas and a touch of Brazilian Robusta give it that full-bodied, bold espresso taste. We balanced these coffees out with a Costa Rican Arabica that adds its soft cereal note. In royal robes, Altissio is a Vertuo espresso coffee cloaked in a thick, velvety crema - full of roasty notes and a soft and creamy cereal note.

A combination of Arabicas from Latin America and Costa Rica, with a little touch of Brazilian Robusta for a full-bodied cup.

Altissio gets an intense and short roast to bring out the full-bodied character of this bold Vertuo espresso coffee.
