Taste Information

A sweet, mild and harmonious blend with delicate biscuity aromas. Perfectly pairs with a dash of milk if you are looking for an even smoother taste.

The Story

Our light and sweet espresso that comes with a biscuity aroma from its fine South American Arabicas and that you might just make your golden standard.

Voltesso gets its light, biscuity note from Brazilian Bourbon coffee, while Colombian Arabicas add a hint of acidity.

The Colombian coffee is roasted light and short to preserve its acidity, while the Brazilian Bourbon is roasted for a longer time to reveal its biscuity notes.
