The Story

We have made name changes to our Barista Creations flavoured range for Original to better reflect the various changes made, from the recipe to the flavouring extracts and recommended cup size. When the nutty sweetness of the classically decadent caramel flavour meets our base blend of South American Arabicas in Barista Creations Flavoured Caramello, it's an irresistible invitation to treat yourself. Caramel's creamy nuttiness has a way of rounding out the coffee's delicious biscuit note while effortlessly complementing its smooth taste. Our light roasting of the Brazilian and Colombian beans ensures the texture, tastes and aromas of the coffee are just right for carrying the unmistakable caramel flavour. Make it a cappuccino moment—milk brings out caramel biscuit notes.
