The Story

Volluto is sunny living. The natural Brazilian Arabica mellows out in its pre-shipment resting time. The medium roast softens the Brazil's cereal notes and turns them to sweet biscuit. And the washed Arabica from Colombia brings delightful fresh red fruit notes to the blend.

Volluto's delicious profile is created combining the sweet mellowness of Brazilian Arabicas with the winey fruitiness of Colombian Arabicas.

Lightly roasted and given a medium grind to keep it all in harmony. This roast turns the Brazil's cereal notes to sweet biscuit and keeps the fruity notes of the Colombian beans alive.
