### Taste Information

Soft and smooth, creamy texture, sweet, notes of caramel, nuts and biscuit. Especially crafted for your recipes with milk.

### The Story

Intense yet smooth in taste, this espresso is specially designed for making cappuccinos, latte macchiatos or flat whites. An expertly crafted blend of Arabicas from China, Colombia, Brazil & Ethiopia creates this world of rich roasted notes to land in harmony with the creamy sweetness of milk.

For this 100% Arabica blend, we sourced beans from a diversity of origins stretching from China to Colombia, and Brazil to Ethiopia.

Roasted in two splits : 1. Medium-dark for the majority of the coffee. 2. Light to very light to balance out the overall roast, aiming for the best combination to work well with milk.
