The Story

The smooth and refreshing taste of Sunny Almond Vanilla Over Ice has us cruising into a Mediterranean summer. Our light-roast blend of Arabicas anchors the season's sun-kissed flavour in a coffee made for ice. Crafted by Nespresso, this one brings shades of sunny almond and a glow of sweet vanilla to your summer. Best served as : 1 coffee capsule (80 ml) over a cup full of ice cubes (180 gr). To extend the treat, top it up with cold water or cold milk (180 ml).

This 100% Arabica blend gets its coffee mostly from Ethiopia and Indonesia.

The first part of this blend gets a light and short to enhance the delicate notes typical of Ethiopian Arabica. The second gets a medium roast to bring balance and roundness to the cup.
