The Story

Istanbul Espresso takes you back in time to the original coffeehouses. This intense ambrosial brew bursts with boldness, wild ripe fruits, and a delicate almond touch. Thick and velvety in homage to Turkish coffee, its Ethiopian Arabica and Indian Robusta remind us of this city at the crossroads of the ancient coffee trade routes.

A blend composed mostly of Ethiopian Arabica beans and Indian Robustas. These coffees come together to bring a complex profile of both bitterness and acidity, wild fruitiness and roasted notes.

This is a classic split-roast with high intensity and an average roasting time. The batches are separated in Arabicas and Robustas for a more precise roast.
