### The Story

The most intense Gran Lungo VERTUO coffee, decaffeinated. FORTADO DECAFFEINATO's Indian Robusta comes at you in full force, with cocoa and oak wood notes still strong in the decaffeinated Latin American Arabicas.

We chose high quality washed Latin American Arabicas and blended it with a naturally processed Indian Robusta for its high-end quality, intensity and full body.

First, a long roast at medium temperatures brings out the intensity in the Indian Robusta, without any harshness. The Arabicas then get dark developing rich cocoa and wood notes.
