The Story

Why we love it: Enjoy the intense taste of Barista Creations ICE FORTE in a refreshing coffee over ice. South American Arabicas mix with the Indonesian and Ethiopian Arabicas to offer an impactful aromatic experience. Dark roasted and ground specifically for a delicious coffee over ice. Best served as: 1 coffee capsule (230 ml) over a cup full of ice cubes (230 g). To prolong the pleasure, top it up with cold water or cold milk (180 ml).

This 100% Arabica blend is made mostly with a combination of Colombian, Indonesian and Ethiopian beans.

Part of this blend gets a medium roast to keep the flavour complexity intact. The other part gets a longer and darker roast to delivers intensity and a bold body.
