The Story

Tropical Coconut Flavour Over Ice brings a taste of the tropics to your home. The refreshing coconut flavor splashes through the caramelly notes of a Latin American and African Arabica blend - it's our most exotic coffee over ice. A sweet vanilla note makes a true treat of this refreshing iced coffee experience.

This 100% Arabica blend gets its beans from Latin America and Africa, with most coming from Brazil and Ethiopia.

Latin American beans are roasted medium dark and quickly to develop sweetness. The other coffees are roasted a bit longer to develop a velvety texture. We add the flavour in after roasting.
