Taste Information

Venezia is a mellow, rounded and delicately aromatic coffee that will remind you of coffee beans fresh out of the roaster.

The Story

Venezia celebrates the longest local coffee tradition of ■Italy with a roast that combines the intense notes of the Ottoman influence and the highly aromatic European coffee profiles. These influences arrived with the Venetian traders who led the way in importing coffee to Italy.

This majority Arabica blend has most of its coffee coming from Colombia and Brazil.

A fairly dark roast that gives Venezia that rounded mouthfeel and mellowed acidity with just a hint of bitterness.
