A velvety, creamy cup with an extremely thick body and pleasantly bitter cocoa notes.

The Story

Ispirazione Napoli pays tribute to the short, strong and dark espressos of this southern Italian coastal city. It's a velvety, creamy cup with an extremely thick body and a kiss of pleasant bitterness in its aftertaste.

This intense blend is created mostly using Robustas from Uganda and India, combined with Arabicas for an intense coffee with a cocoa touch.

A dark and intense roast, done with carefully selected beans that can withstand the process and develop delicious bitter notes without completely burning away.
